

# **Student Leadership Board Description**

The Student Leadership Board (SLB) is a group of six students who function as an extension of the Student Life Department for the benefit of the seminary and its students. Student Leadership Board exists to develop leaders that will serve as a bi-directional line of communication between the student body and administration and address student priorities through welcoming new students, listening to the needs of the student body and responding through advocacy, programming and resources.

### **Functions and Responsibilities**

- **1) General Board Participation:** Members of the SLB are expected to regularly attend scheduled SLB meetings and participate in all large SLB events including Orientation, Welcome Back and other all campus events. (20% of your hours)

- **4) Institutional Representation:** Each Board member will sit on an academic or ad hoc committee led by the seminary's administration. While students will not serve as an equal voting member, they will have the chance to function as a voice for all students. Committees generally meet for 1.5-2 hours, once a month during fall and spring. (10% of your hours)
